## Villanova or Kansas

Brad Stevens, coach of the Boston Celtics, has one roster spot open before the playoffs. Brad is trying to determine which Player of the Year he should use to fill the open roster spot. Brad can call Frank Mason (Player of the Year 2017- Kansas Jayhawks) or Jalen Brunson (Player of the Year 2018-Villanova Wildcats) to fill the roster spot. Using each player's data, help Brad determine which player should be called to fill the final roster spot for the Boston Celtics.
